## Almost Lost His Life.

S. A. Stud, of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so that it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery which brought great relief. The doctor said I was on the verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds or any throat or lung trouble. Price 50c and \$1.00. Trial bottle free. ## DR. DOLLE'S MESSAGE TO MEN YOU CAN BE CURED BY

Why Take Treatment That Is Doing You No Good, When a Few Days under the care of Dr. Dolle Will show You How Easy It Is to Cure These Diseases When the Proper Treatment Is Administered.

Have you treated for months and years, and been disappointed until you think that you cannot be cured? You no doubt, all this time have been treated by inexperienced doctors who had neither sufficient knowledge nor experience to know how to cure you.

These are the diseases of which I have cured so many, justly giving me the reputation for curing of which I am so proud.

Blood Diseases, Skin Diseases

I will give you treatment that will in a few days cure all rash, spots and every sign and symptom. My treatment gets the poison out of the system instead of driving it in like ordinary treatments. I cure blood diseases and skin diseases so they cannot come back.

Variocoele, causing aching or pain in groin or back, Nervousness, Weakness, Loss of Vitality, Lack of Ambition—

My one-treatment cure is what you should have and what you will have to have to be cured right. Only one visit is required. I do no cutting and you suffer no pain nor trouble. All signs disappear in a few days.

Nervous Troubles, Lost Vitality

My combined treatment for these troubles so common among those who have become weak and worn out, who have caused it by folly, dissipation and excesses, is remarkably good. No one believes how quickly it benefits until they have taken it. It overcomes weakness, nervousness, pain in back, lack of energy, ambition and strength—it's just the treatment I have found so effective in treating such diseases.

Kidney and Bladder Troubles

are scientifically cured by me. My methods immediately benefit you, and the majority of cases I cure come from physicians and specialists who failed.

Piles, Fistulae—I can cure you so that you will be surprised. I will give you just the result and cure you are looking for without a surgical operation.

Acute Diseases—Itching, Burning remedies seldom cure. My treatment stops every symptom and cures in a few days. It is scientific—that's the only sure way to be cured so it will not come back.

You can take my Treatment without a cent and pay me after I cure you. I know that I can give you new life, new hope, and can restore you back to health and happiness. I know that every man will pay after I have eliminated every trace of disease from his system. Microscopic and analytical urinalysis FREE. I have written a book that ought to be in the hands of every suffering man in this country. I will send you a copy, free, if you will write me at once the disease for which you desire treatment. Hours, 9 to 4; Sundays, 9 to 1 p. m. Evenings, 7 to 9 p. m. Monday, Wednesday and Saturday nights.

## EXCELLENT AS DAIRY COWS

Dutch Belted Cattle Have Same General Qualities of Holstein and Give Large Milk Yield.

Not very many pure bred herds of Dutch belted cattle are found anywhere in America, and their appearance at the cattle shows always attracts attention because of the unusual color markings. Each animal possesses the broad white belt about the body presenting the appearance of a blanket.

The Dutch belted cattle have the general qualities of the Holsteins and are inclined to large milk yield. As the herds actually exist, they are

probably not equal to several other breeds in average milk yield, but the comparison is hardly fair because there are ten herds of Holsteins, Jerseys or Guernseys to one of the belted, and it is easier to select competitive herds of more popular breeds.

One of the best practical uses of the pure bred stock is in crossing with other cattle. The grade heifer of part Dutch belted ancestry is pretty sure to be a good animal for dairy purposes. She will possess the characteristic white belt, although ends of body may be red or roan instead of black. She will be a large milk yielder, the quality being good, although not particularly rich in butter fat. She is also likely to be a long lived producer and perhaps a little more hardy than most pure bred stock. The Dutch belted reproduce their quality with remarkable exactness when crossing with other stock.

## RECORD OF A HOLSTEIN COW

Dairy Animal Will Make About Ten Times Better Use of Her Food Than a Good Steer.

(By PROF. A. L. HAECKER, Nebraska Agricultural College.)

To illustrate the economic work of a good dairy cow in transforming forage and grain into human food, I wish to call attention to the record of a Holstein cow owned at the Nebraska station. This cow produced in one year 18,540 pounds of milk, which contained 13 1/2 per cent. of solids, which is equivalent to 2,503 pounds of total solids, which is largely assimilative and in the most favorable condition for human food.

A good steer at the proper age and under the best methods of feeding will increase his weight about 750 pounds in a year. After deducting 55 or 60 per cent. of dressing, and 85 per cent. for water, we have remaining about 250 pounds of nutriment, as against 2,500 pounds for the cow. In other words a good cow makes about ten times better use of her food than a good steer.

This I have given merely to illustrate that where economy in the use of stock food is necessary the dairy cow will prove to be a far better animal in turning profits.

## BABCOCK TESTER IS PRAISED

Invention Has Revolutionized Dairy- ing Industry—Bulletin Issued by Wisconsin Station.

A fitting recognition of Dr. Stephen Moulton Babcock's services to the dairy world through the invention of the milk tester bearing his name is found in a circular lately issued by the Wisconsin experiment station. Its title is "The Coming of Age" of the Babcock Test, and it is written by Dean Russell. In bulletin 24, issued in 1890 by the same station, the Babcock test was given to the public. The invention has so completely revolutionized dairying, putting it on a sound business basis, that upon its twenty-first birthday official recognition of the inventor's work is given by the same institution that fostered the invention. The circular contains a complete account of the invention of the tester and should be read with interest wherever cows are known.

## Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

## TAKE CARDUI The Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women.

Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.
